

e-BILL REQUEST

This is my request and authorization to the Town of Jamestown to send my Utility Bill electronically to the email account listed below. I understand that this authorization means I will no longer receive a paper bill in the mail and this will continue to be in effect for all utility amounts due from me. Electronic bills will be emailed on the first of the month. I will notify the town immediately if a change in the email accounts occurs. I understand the Town will not be responsible for bills not received due to problems with my internet service provider or a change in email address.
